# **BAND of BROTHERS**

*Summit*

Ever feel like you're capable of more but something's holding you back? This annual summit brings together positive male community leaders, role models and businessmen to empower and develop strong mentorship ties with male youth and their fathers/father figures. Interactive workshops and engagement opportunities will be facilitated in alignment with this year's **"I ASCEND"** theme which aims to support young men to break through mental blocks and discover what they are truly good at. The event will help participants identify their strengths, set goals, and learn practice skills that will make a difference in school, at home, and in for their future.
