INSPIRE | EMPOWER | ENRICH | EXPOSE

Dear Community Partner,

At OYC Miami, we believe every young person and family deserves access to the relationships, resources, experiences, and opportunities they need to thrive.

For more than two decades, OYC has served as a trusted resource for children, youth, and families across South Florida. From education and enrichment to health and wellness, family services, college and career readiness, and workforce development, our team works every day to help our community move forward.

But meaningful, lasting impact takes partnership.

This sponsorship portfolio is an invitation to join us in that work. Inside, you'll find opportunities to invest directly in programs and experiences that help young people discover their potential, build confidence, and prepare for their futures while strengthening the families and communities around them.

Whether you support a classroom, provide career experiences, fuel a summer of opportunity, help meet a family's immediate needs, or invest in a broader program, your partnership helps OYC deliver the high-quality services our community deserves.

We invite you to explore the opportunities in this booklet and find a partnership that aligns with your organization's commitment to South Florida.

Thank you for considering OYC Miami and for helping us create greater opportunities, stronger families, and brighter futures for the people we serve.

With gratitude,
Tina Brown
Chief Executive Officer

In-School and After-School Program Services

OYC Miami provides in-school services in 17 schools across South Florida. A dedicated OYC team works directly inside these schools during the school day. This team tracks and monitors students' academic achievement, attendance, and behavior, and serves as advocates, mentors, and accountability partners for students, parents, and school administrators.

Following the school day, OYC Miami offers structured after-school programming throughout the school year. Students participate in age-appropriate activities at OYC's main site or at partner school locations. Programming serves Elementary (K–5th), Middle School (6th–8th), and High School (9th–12th) students, and transportation is provided to ensure safe and reliable access to programming.

During after-school programming, students receive a hot meal and snacks, academic support, recreation, and enrichment opportunities including visual arts, music, performing arts, dance, and STEM. Students also participate in exposure trips, health and wellness sessions, and college and career readiness activities. Across all program elements, OYC staff prioritize strong relationships with students and families while supporting each student toward their individual goals.

Enrichment and Exposure

Civic Engagement Initiative

Launched in 2022, OYC Miami's Inspiring Civic Engagement initiative provides middle and high school students with structured opportunities to learn and actively participate in their communities. The program focuses on three core areas: Voter Advocacy, Social Justice, and Global Citizenship.

Students participate in civic engagement workshops, community service projects, and structured discussions exploring civic responsibility, leadership, public policy, and social issues. The program also provides exposure trips and community engagement activities that connect students with local leaders, civic institutions, and advocacy organizations.

Through hands-on involvement and team-based projects, students develop leadership skills while learning how to engage thoughtfully and responsibly in their communities.

Enrichment and Exposure

Arts and Culture Program

OYC Miami's Arts and Culture Program provides structured instruction in visual and performing arts, giving students consistent, hands-on opportunities to develop creative skills and cultural awareness.

Students participate in classes and workshops in painting, drawing, sculpture, digital art, photography, dance, music, drama, spoken word, poetry, and podcasting. Throughout the year, participants prepare for art installations, exhibits, and professionally produced performances, and complete at least two project-based showcases that apply their learning to real-world themes.

Beyond the classroom, students engage in cultural exposure through field trips and enrichment outings to museums, theatrical productions, musical performances, sporting events, nature excursions, leadership retreats, and service-learning experiences. These opportunities introduce students to diverse artistic traditions, cultural institutions, and community spaces, strengthening both creative expression and broader cultural understanding.

Enrichment and Exposure

Honey Shine

Founded in 2002 by Tracy Wilson Mourning, Honey Shine is OYC Miami's gender-specific initiative designed to inspire and empower girls, affectionately known as Honey Bugs. Since merging with OYC Miami in 2020, Honey Shine has become part of OYC's comprehensive youth development model, serving girls from kindergarten through 12th grade and continuing to support their postsecondary progress through age 25.

Honey Shine delivers programming across 12 school sites throughout South Florida. At participating middle school locations, dedicated Honey Shine coordinators provide in-school support and after-school programming throughout the week. At participating high school locations, girls engage in weekly Honey Shine Clubs focused on college and career readiness, social-emotional learning, and hands-on enrichment through workshops, discussions, and creative experiences.

Programming is grounded in the S.E.L.F. model: STEAM, Empowerment, Literacy, and Fitness, integrated through Teen Talks, robotics and STEAM, art, coding, photography, fitness and dance, empowerment activities, and other hands-on experiences.
